- **Opportunity to present your ideas and vision of the future of the exhibition industry on the main stage at the UFI Global Congress**

The UFI NGL Grant promotes next generation leadership in the exhibition industry, rewarding professionals who show clear initiatives in driving change and innovation in their area of activity. The programme is spread over a period of 18 months, allowing you to continue to fulfil your daily work obligations. This grant will be awarded to up to five industry professionals in 2019.

The NGL Grant reflects UFI's commitment to recognising and supporting the best talents within the exhibition industry, and will **bring you:**

- Exclusive, confidential C-level mentoring over a 12 month period;
- Global recognition and media coverage among exhibition professionals before, during and after the UFI Global Congress;
- Unique, high profile opportunities to enhance your professional network with peers and industry leaders;
- Expert guidance throughout the programme by UFI.

What you will get:

- 1. Unique speaking opportunity**
- 2. Exclusive mentoring programme**

1. Unique speaking opportunity

As the 2019 grantee, you will get the opportunity to take the stage at the UFI Global Congress in Bangkok, Thailand, with the other grantees. The UFI Global Congress is the main annual event for the global exhibition industry, and the 2019 edition will take place from 6 to 9 November 2019. To prepare your 45-minute session, you will be required to work closely with the other grantees over a period of six months before delivering your session to a public of 400+ high ranking industry players.

2. Exclusive mentoring

If you are selected for the 2019 NGL Grant, you will have the chance to benefit from executive level mentoring. We will match you up with a suitable mentor who will provide you with a safe and confidential environment within which you will be free to learn, brainstorm, test ideas and discuss work-related challenges and opportunities. You will be learning from someone who "has been there and done it". They will share their experiences, offer guidance and advice and challenge you. You may explore specific career goals, areas of learning and development, work/life balance, networking, experience and skill development, leadership skills, as well as your own self confidence and personal attributes to accelerate your achievements and build professional success. The mentoring will take place remotely, for about 1 – 1.5 hours every 6-8 weeks.

Next Generation Leadership

How does the grant work?

The grant programme will kick off with a workshop at the UFI European Conference in Birmingham, UK (15-17 May 2019). You will of course have complimentary registration to attend both events.

You must apply if you:

- May-Nov bi-weekly calls (~ 30 min) with UFI and group members to plan your session;
- Research and preparation for the Congress session;
